Situation

A four bedroom detached double fronted house. The property accommodation comprises of: 'L' shaped lounge/diner with serving hatch, kitchen with double cooker, bedroom four is downstairs, downstairs cloakroom with shower, office with 'French' doors. Upstairs there is an approximately 25' master bedroom with fitted wardrobe, family bathroom, second double bedroom and a single bedroom. The garden is low maintenance to tiered garden backing onto the woods. The property benefits from oil fired central heating, driveway parking for 3 cars and double glazing. Dogs allowed on request - small dog only or a mature cat. Gurney Slade is a charming rural village in Somerset, tucked on the edge of the Mendip Hills, offering a peaceful countryside lifestyle with surprisingly good access to nearby towns and road links. Surrounded by beautiful rolling landscapes, it's ideal if you enjoy walking, peace and quiet, yet still need to commute or access amenities fairly easily. In terms of road and transport links: the village sits within easy driving distance of Shepton Mallet (about 3-4 miles) and Wells to the west, making trips for shopping or work quite manageable. The nearest major roads are accessible via local links, with more significant routes and the A37/A367 networks reachable within a short drive. For public transport, there are bus services passing through or near Gurney Slade, which connect to places such as Street, Bath, Wells, and Shepton Mallet. For instance, the 649 bus route allows travel from Gurney Slade to Street/Strode College and back, and the 173 provides regular service towards Bath and Wells! Available 3rd Property Ref: inst-5977

Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO2) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO2) emissions. The higher the rating the less impact it has on the environment.
